Are You Feeling Overwhelmed By Your New iPad or iPhone? Do You Want To Be Able To Use Them With Ease & Confidence?

We take the pain out of learning how to use your iPhone and iPad with personal hands on instruction guaranteed to have you getting full value from your device/s and using them with confidence!

There are many 2 hour group courses to choose from that will have you..

- Understanding Your iPad, Apps, and iTunes
- Getting to Know Your iPad
- Personalising Your iPad Settings
- Keeping Email & Messages in Sync
- Taking Notes & Creating Reminders
- Using and Sharing Your Calendar
- Tips To Make Browsing The Internet Easier
- Playing Music & Videos
- Using the Camera For Video Calls
- Viewing & Editing Photos
- Shortcuts For Using Maps
- Buying, Installing and Sharing Apps

Sessions are limited to 6 people to guarantee personal attention and must be booked in advance. **Contact: Colin Dunkerley 041 44 10 100 or 3040 1095**

Where e³ When: Group courses every Tues 11am-1pm at Mountain Creek* or by Appointment at Your Retirement Village

Investment: Each 2 hour group course is \$50. (*includes lunch, coffee & cupcakes made by my Award Winning apprentice Pastry Chef daughter from cupcakesandcakes.com.au when held at Mountain Creek) - min 2 people, maximum 6 people.

One-On-One in home tuition is also available at \$75/hr (min 2 hours)

This is highly recommended to help get your systems set up and also includes very hands on learning so you can get more out of your Apple products.

Testimonials

“Colin has done the heavy lifting as far as becoming skilled in the use of computers and in particular the iPad and is now passing on those skills to limited groups at a rate they can handle” Greg L - Caloundra

“The group was small and informal and Colin was very approachable and explained everything well” Lynn S - Buddina

“I learnt how to make the text bigger and easier to read and made ads disappear! I would absolutely recommend this training because everything is clearly explained” Rein - Buderim

“Before Colin’s lessons I didn’t use the iPad much through lack of knowledge. I now use it with confidence” Anna G -

Phone & Internet Bill Analysis

Trying to decipher mobile phone plans, home phone plans and internet plans can be a mine field.

It is no wonder that most people miss out on the hundreds of dollars they could be saving each year of their telephony and internet bills just by getting on the right plan.

Having been a dealer for over 10 years we know where to look to save you money.

Try our Bill Analysis Service. Its just \$150 + 10% of what we save you in 12 months.

If we can’t save you at least \$150 per year then we will give you a REFUND IN FULL. Thats right 100% money back guarantee if we can’t save you at least \$150!
